

Parents,

The Phillips Student Council will be sponsoring “Pennies for Patients” from October 31st – November 18th. Students will be encouraged to bring change every day! Funds raised will help find cures for blood cancers and support patients and their families.

During this time, a 25 minute video from the Leukemia and Lymphoma Society will be shown to all grade levels. The video, entitled “Why Charlie Brown, Why,” is animated with the Peanuts characters, such as Charlie Brown and Lucy. In this video, a classmate is diagnosed with cancer and goes through treatment with the support of her family and classmates. It has a very good ending and has a positive impact on our students.

If you DO NOT wish your child to see this video, please PRINT, sign and return this to Coach Fugina by Tuesday, October 25th. The video will be shown to all students Wednesday, October 26th.

The students who do not have permission to watch this will be allowed to bring a book and read in the library during this time.

For any questions or concerns, please contact Stephanie Fugina at fuginas@friscoisd.org or Stephanie Hunter at hunters@friscoisd.org

Thank you!

I DO NOT want my child _____ to watch “Why Charlie Brown, Why,” sponsored by the Leukemia and Lymphoma Society.
